Contractor Prequalification Status

Expiration Date	Single Project	AWC
6/17/2011	\$1,000,000.00	\$2,000,000.00

Prequalification Classification(s)

Classification	Description
ALARM SYSTEMS	Installation, renovation, repair and maintenance of low voltage fire protection, security and other types of alarm systems.
TELECOMMUNICATIONS SYSTEMS	Installation, repair and maintenance of telephone, intercom, television, computer network or related equipment for a major communication system within a building.

License(s)

License#	Trade	Active	Expire
ELC.0182812-E1	Electrical / Telecommunications Construction	00/00/0000	9/30/2011

This certificate prequalifies the named company to bid solely. It is not a statement of the company's capacity to perform a specific project. That responsibility lies with the awarding authority.

Company Licenses/Registrations: It is the contractor's responsibility to update their licensure information by editing their electronic application. Licensure is confirmed by the DAS at time of initial application and at each renewal.

It is the Department of Administrative Services' (DAS) recommendation that all awarding authorities verify the above information by visiting the DAS Prequalification website.

For information regarding the DAS Contractor Prequalification Program visit the above mentioned website or call (860) 713-5280.
